EDISON ELECTRIC INSTITUTE

INDEX TO 1957 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 25

Issue	Pages	Issue	Pages
January	1-32	July	225-256
February	33-64	August	257-288
March	65-96	September (2 Sections)	289-320
April	97-128	October	321-352
May	129-160	November	353-384
June	161-224	December	385-416

General Index

A

Accident Prevention Committee
- Hartford Meeting, 93
- Miami Beach Meeting, 283

Accidents
- Fatal Accidents in the Electric Light and Power Industry—S. H. Young, 405

Accounting
- Accounting Conference Stresses Electronics, Employee Communication, Financial Outlook, 131
- Automation and Its Applications—K. S. Field, 143
- Average Service Lives and Annual Depreciation Rates of Nuclear Power Reactors—Maurice R. Scharff, 76
- Credit Picture, 156
- EEI Accounting, Commercial Division Committee Activities for 1957-58, 355
- EEI-AGA Accounting Conference Planned, 55
- EEI-AGA National Accounting Conference Plans Full Three-Day Program, 388
- Electronic Accounting Planning, Problems Discussed at EEI-AGA Seminar, 27
- Electronic Data Processing of Stockholder Records—Cortland G. Pohle and James J. Gannon, 274
- Let the Last Man Know—J. J. Misic, 242
- Pinpointing Responsibility for Deviations from the Operating Budget, 53
- Systems Planning for Computer Application—Howard S. Levin, 49
- What Uses Have We for EDP?—J. P. Bromley, 233

Accounting Conference Stresses Electronics, Employee Communication, Financial Outlook, 131

Advertising
- Oklahoma Editor Pays Tribute to Paul Hoheisel—Walter M. Harrison, 304
- 94 Utilities Receive PUAA Awards, 146
- PUAA's Furber Tells Utilities to Aim at Women When Selling Ideas, 375

Appliances
- Con Edison Forms Apartment House Division to Help in Design of Kitchens, 24

Area Development
- Area Development Programs of Electric Companies, 231
- Area Development's Link to Prosperity to be Stressed at Fourth Workshop, 296

Area Development's Link to Prosperity to be Stressed at Fourth Workshop, 296

Area Development Programs of Electric Companies, 231

Atomic Power
- Atomic Power Plant Scheduled by Northern States, 52
- Average Service Lives and Annual Depreciation Rates of Nuclear Power Reactors—Maurice R. Scharff, 76
- Booklet on the Atom Published by EEI, 32
- Congressional Legislative Actions in 1957 Relating to Nuclear Power Development, 310
- Government and Nuclear Power, 154
- Personnel of Task Force on Nuclear Power, 14
- Statement on Nuclear Power Development, 41
- The Status of Atomic Power—K. D. Nichols, 175
- Pacific G&E Atomic Power Plant in Operation, 381

Atomic Power Plant Scheduled by Northern States, 52

Automation
- Automation and Its Applications—K. S. Field, 143

Automation and Its Applications—K. S. Field, 143

Automatic Control of Generation on the Virginia Electric and Power System—Harrison Hubard, 277

Average Service Lives and Annual Depreciation Rates of Nuclear Power Reactors—Maurice R. Scharff, 76

Awards
- Awards Presented at Sales Conference, 111
- Coffin (Charles A.) Award Again Won by American Gas and Electric, 174
- Ebasco Plaques Award, 381
- Five Resuscitation Awards Presented, 85
- New EEI Awards Program Emphasizes Sales Promotions in Four Markets, 343
- 119 Safety Merit Awards Given in 1956, 26
- 94 Utilities Receive PUAA Awards, 146
- Safety Merit Awards are Presented to 11 Electric Companies for 1,000,000 Accident-Free Manhours, 230
- 12 Safety Merit Awards Given in Two Months, 151
- Two More EEI Medals Are Presented for Heroic, Life-Saving Action, 281
- Two More EEI Medals Presented for Life-Saving Action, 349
- Two Resuscitation Medals Awarded, 134

Awards Presented at Sales Conference, 111

B

Booklet on the Atom Published by EEI, 32

Brother, Can You Spare a Dime?, 83

Budget
- Pinpointing Responsibility for Deviations from the Operating Budget, 53

C

Cable Installation
- 230 KV, Oil Filled Cable Installation at Huntley Station, Buffalo, N. Y.—J. M. Geiger and C. T. Nicholson, 19

Chicago Convention Program, 99

Chicago—Host to 25th EEI Convention, 69

Coffin (Charles A.) Award Again Won by American Gas and Electric, 174

Ash Collins, Jr., Becomes Assistant to President of Reddy Kilowatt, Inc., 352

Commercial Activities
- Report on EEI Commercial Activities—T. O. McQuiston, 149

Computer
- Systems Planning for Computer Application—Howard S. Levin, 49

Con Edison Displays "Rocking Chair Kitchen," 370

Con Edison Forms Apartment House Division to Help in Design of Kitchens, 24

Confutation
- Confutation and Concealed Concepts—Nicholas J. Lesselyoung, 371

Confutation and Concealed Concepts—Nicholas J. Lesselyoung, 371

Congressional Legislative Actions in 1957 Relating to Nuclear Power Development, 310

Considerations Regarding the Availability of Capital for the Electric Industry—Albert H. Gordon, 197
Construction
"Look Up and Live!", White Tells Construction Safety Meeting, 399
Construction Costs
Improved Controls for Overhead Construction Costs and Manhours—A. E. Fehlenberg, 243
Consumer Attitudes Toward the Electric Industry—Kinsey M. Robinson, 219
Conventions and Meetings
Accident Prevention Committee Meetings, 93, 283
Electrical System & Equipment Committee Meetings, 60, 254, 377
Hydraulic Power Committee Meeting, 253
Meter & Service Committee Meetings, 155, 378
Prime Movers Committee Meetings, 89, 250, 376
Purchasing & Stores Committee Meeting, 153
36-Page Publication Cites 50th Meeting of PEA, 370
Transmission & Distribution Committee Meetings, 91, 251, 380
Transportation Committee Meeting, 152
Wisconsin Utility Accountants Meet, 284
Conversion of Metropolitan 4 KV Distribution System to 13.2 KV Operation—H. A. Heim, 239
Coordinated Programs, New Selling Approach Urged at EEI Sales Conference, 107
Corrosion and Iron Oxide Deposition Associated with Steam Power Stations, 147
Cost of Electricity
Brother, Can You Spare a Dime?, 83
Cost of Federal Projects with Power Installations, 44
Courtesy
Driver Courtesy Program Launched by CP&L, 114
Credit Picture, 156
Customer Relations
Emerging Role of Public Relations—Edwin Vennard, 259
Let the Last Man Know—J. J. Misic, 242
Customer Service
One-Spot, One-Shot Customer Service at Union Electric in St. Louis—John C. Faris, 7

D

Data Sheets
EEI Offers Two Sets of Data Sheets, 28
Developing Morale and Loyalty—C. Herald Campbell, 305
Development of Hydroelectric Projects Under the Federal Power Act—Hon. Arthur Kline, 182
Distribution
Conversion of Metropolitan 4 KV Distribution System to 13.2 KV Operation—H. A. Heim, 239
Driver Courtesy Program Launched by CP&L, 114

E

Ebasco Plaques Awarded, 381
Edison, Thomas A.
Edison's Home Becomes Historic Shrine, 47
National Edison Birthday Celebration Planned by Electric Industry, 23
EEI Accounting, Commercial Division Committee Activities for 1957-58, 355
EEI-AGA Accounting Conference Planned, 55
EEI-AGA National Accounting Conference Plans Full Three-Day Program, 388
EEI Catalogue Lists Lighting Sales Aids, 13
EEI Commercial Division
Coordinated Programs, New Selling Approach Urged at EEI Conference, 107
EEI Commercial Division Committees, 361
EEI Committees
Accident Prevention Committee Meetings, 93, 283
Accounting Conference Stresses Electronics, Employee Communication, Financial Outlook, 131
Area Development's Link to Prosperity to be Stressed at Fourth Workshop, 296
Conversion of Metropolitan 4 KV Distribution System to 13.2 KV Operation—H. A. Heim, 239
Developing Morale and Loyalty—C. Herald Campbell, 305
EEI-AGA Accounting Conference Planned, 55
EEI-AGA National Accounting Conference Plans Full Three-Day Program, 388
EEI Committees—One Team Working for a Single Goal, 323
EEI General Division Committees, 324
EEI Sales Conference to be Held April 1-4, 57
Electrical System & Equipment Committee Meetings, 60, 254, 377
Electronic Accounting Planning, Problems Discussed at EEI-AGA Seminar, 27
Hydraulic Power Committee Meeting, 253
Improved Controls for Overhead Construction Costs and Manhours—A. E. Fehlenberg, 243
Let the Last Man Know—J. J. Misic, 242
Meter & Service Committee Meetings, 155, 378
Officers, Board of Directors, Committees and Committee Personnel of the EEI for 1957-58—Section II, September Issue
Prime Movers Committee Meetings, 89, 250, 376
Purchasing & Stores Committee Meeting, 153
Tenth Annual Round Table Conference to Stress Employee Effectiveness—Edw. J. Brill, 269
Toward Effective Supervision—W. O. Turner, 301
Training and Development of Employees—D. A. Bartlett, 313
Transmission & Distribution Committee Meetings, 91-251-380
Transportation Committee Meeting, 152
What Uses Have We for EDP?—J. P. Bromley, 233
EEI Committees—One Team Working For a Single Goal, 323
EEI Convention
Chicago Convention Program, 99
Chicago—Host to 25th EEI Convention, 69
Coffin (Charles A.) Award Again Won by American Gas and Electric, 174
Considerations Regarding the Availability of Capital for the Electric Industry—Albert H. Gordon, 197
Consumer Attitudes Toward the Electric Industry—Kinsey M. Robinson, 219
Development of Hydroelectric Projects Under the Federal Power Act—Hon. Arthur Kline, 182
Let's Face It—Harllee Branch, Jr., 202
Making the Case for Private Property—Leonard E. Read, 189
Management's Responsibility for Safety—Allen S. King, 210
More Productive Future, Consumer Attitudes Spark 25th EEI Convention, 163
Notes on 25th Annual EEI Convention in Chicago, June 3-5, 67
President Reports—Donald S. Kennedy, 167
Public and Private Power and the Hoover Commission's Recommendations—Dr. S. C. Hollister, 185
Road to Survival—Dr. Curtis L. Wilson, 180
Selling an Idea to the American People—Thomas D'Arcy Brophy, 206
State Regulation and Private Enterprise—Hon. H. Lester Hooker, 194
Status of Atomic Power—K. D. Nichols, 175
"This I Believe"—Edwin Vennard, 213
EEI Engineering and Operating Division Committees, 332
EEI General Division Committees, 324
EEI Member Company Research Projects Total 968, Survey Shows, 223
EEI Nuclear Power Task Force
Personnel of Task Force on Nuclear Power, 14
EEI Offers Two Sets of Data Sheets, 28
EEI Publications
"I Want to Know About the Electric Industry" Published in Ninth Annual Edition, 94
1957 Rate Book Available, 270
Overwhelming Reception for "Underground Systems Reference Book," 347
New "Underground System Reference Book"—C. T. Sinclair, 263
Recent EEI Publications, 13, 54, 90, 146, 241, 374, 409
EEI Publications and Service Material, 29, 285, 412
EEI Sales Conference to be Held April 1-4, 57
Edison's Home Becomes Historic Shrine, 47
Education
Electricity on the Modern Academic Scene—Ruth K. Stroh, 410
Selling an Idea to the American People—Thomas D'Arcy Brophy, 206
Electric Industry
Electric Industry in 1957 and Later—J. W. McAfee, 389
Electricity and Progress—Donald S. Kennedy, 73
Electricity's Place in the Nation's Economy—Donald S. Kennedy, 35
"I Want to Know About the Electric Industry" Published in Ninth Annual Edition, 94

"It Takes Eleven Men . . ."—Donald S. Kennedy, 115
Look Into the Electrical Future—Walter T. Lucking, 395
Look Into the Over-All Business Future—E. J. Klock, 119
Power for the Future: Investor-Owned or Political—E. M. Naughton, 3
Report Shows Peak Load for U. S. in December Was 103,000,000 KW, 61
"This I Believe"—Edwin Vennard, 213
Electric Industry in 1957 and Later—J. W. McAfee, 389
Electrical Conference for Women Sponsored by EEI, 17
Electrical Equipment
Experience and Tests with Rotor Prewarming—T. D. Reimers and R. L. Webb, 79
Electrical Systems and Equipment Committee
Boston Meeting, 60
Buffalo Meeting, 254
Denver Meeting, 377
Electricity and Progress—Donald S. Kennedy, 73
Electricity on the Modern Academic Scene—Ruth K. Stroh, 410
Electricity's Place in the Nation's Economy—Donald S. Kennedy, 35
Electronic Accounting Planning, Problems Discussed at EEI-AGA Seminar, 27
Electronic Data Processing
What Uses Have We for EDP?—J. P. Bromley, 233
Electronic Data Processing of Stockholders Records—Cortland G. Pohle and James J. Gannon, 274
Employee Effectiveness
Tenth Annual Round Table Conference to Stress Employee Effectiveness—Edward J. Brill, 269
Employee Relations
Developing Morale and Loyalty—C. Herald Campbell, 305
Toward Effective Supervision—W. O. Turner, 301
Training and Development of Employees—D. A. Bartlett, 313
Emerging Role of Public Relations—Edwin Vennard, 259
Energy
Energy for Today—Harllee Branch, Jr., 135
Energy for Tomorrow—F. K. McCune, 137
Energy for Today—Harllee Branch, Jr., 135
Energy for Tomorrow—F. K. McCune, 137
Engineers
The Engineer's Obligation—Ben Moreell, 25
Engineer's Obligation—Ben Moreell, 25
Executive Changes
McAfee (J. W.) Elected President of EEI; Corette (J. E.) Named Vice President, 387
More Productive Future, Consumer Attitudes Spark 25th EEI Convention, 163
Experience and Tests with Rotor Prewarming—T. D. Reimers and R. L. Webb, 79

F

"Farm Better Electrically" Program Grows, 374
"Farm Better Electrically" Program Launched by EEI, 72
"Farm Better Electrically" Scores in First Months as Program, 271
Fatal Accidents in the Electric Light and Power Industry—S. H. Young, 405
50 Manufacturers Support National Electrical Week, 388
Financing
Considerations Regarding the Availability of Capital for the Electric Industry—Albert H. Gordon, 197
Financing the Future of the Electric Industry—Chas. E. Oakes, 337
Financing the Future of the Electric Industry — Chas. E. Oakes, 337
Finer Carolina Anniversary, 409
First Full-Scale Celebration Planned for National Electrical Week, 18
Five Resuscitation Awards Presented, 85
Forecasting
Financing the Future of the Electric Industry—Chas. E. Oakes, 337
Forecast for Electricity in the Home, 154
Long-Range Planning as an Aid to Management—P. H. Powers, 341
Look Into the Electrical Future—Walter T. Lucking, 395
Look Into the Over-All Business Future—E. J. Klock, 119
Meeting Tomorrow's Manpower Needs—Donald S. Kennedy, 291
Recruiting and Training for Utility Leadership—Ralph M. Besse, 139
Forecast for Electricity in the Home, 154

G

General Public Utilities
Two GPU Subsidiaries in N. J. Integrated on Divisional Basis, 22
Generation
Automatic Control of Generation on the Virginia Electric and Power System—Harrison Hubard, 277
Corrosion and Iron Oxide Deposition Associated with Steam Power Stations, 147
Experience and Tests with Rotor Prewarming—T. D. Reimers and R. L. Webb, 79
Generators
Rating of Turbine Generators, 114
Gesell (Walter B.) Named Economic Director, EEI, 336
Government and Nuclear Power, 154
Government Power
Cost of Federal Projects with Power Installations, 44
Development of Hydroelectric Projects Under the Federal Power Act—Hon. Arthur Kline, 182
Government and Nuclear Power, 154
Let's Face It—Harllee Branch, Jr., 202
Multiple Purpose Projects—53.9% Power, 300
Power for the Future: Investor-Owned or Political—E. M. Naughton, 3
Public and Private Power and the Hoover Commission's Recommendations—Dr. S. C. Hollister, 185
"This I Believe"—Edwin Vennard, 213
What Can We Do About Government Spending?—Fred Rogers Fairchild, 392
Government Spending
What Can We Do About Government Spending?—Fred Rogers Fairchild, 392
Growth
Electric Industry in 1957 and Later—J. W. McAfee, 389
Meeting Tomorrow's Manpower Needs—Donald S. Kennedy, 291
Guide to be Ready Earlier This Year for 1958 National Electrical Week, 179

H

Heat Pump
Space Conditioning the Modern Way—"Heat Pumps Have It"—H. L. Cushing, 125
Hoover Commission
Public and Private Power and the Hoover Commission's Recommendations—Dr. S. C. Hollister, 185
Housepower
How to Evaluate the Results of Housepower Activities—Donald W. Runquist, 401
1958 Housepower Program Aims to Get Contractor in the Home, 297
1958 Live Better . . . Electrically, EEI Residential Promotion Plans, 345
Second Phase of Housepower Program for 1957 Begins in September, 265
How to Evaluate the Results of Housepower Activities—Donald W. Runquist, 401
Hydraulic Power Committee
Massena Meeting, 253
Hydroelectric Projects
Development of Hydroelectric Projects Under the Federal Power Act—Hon. Arthur Kline, 182

I

"I Want to Know About the Electric Industry" Published in Ninth Annual Edition, 94
Improved Controls for Overhead Construction Costs and Manhours—A. E. Fehlenberg, 243
Industrial Improvement
Finer Carolina Anniversary, 409
Industrial Relations
Developing Morale and Loyalty—C. Herald Campbell, 305
Tenth Annual Round Table Conference to Stress Employee Effectiveness—Edw. J. Brill, 269

Toward Effective Supervision—W. O. Turner, 301
Training and Development of Employees—D. A. Bartlett, 313
"It Takes Eleven Men . . ."—Donald S. Kennedy, 115

L

Legislation
Congressional Legislative Actions in 1957 Relating to Nuclear Power Development, 310
Let the Last Man Know—J. J. Misic, 242
Let's Face It—Harllee Branch, Jr., 202
Lighting
Con Edison Forms Apartment House Division to Help in Design of Kitchens, 24
Lighting Course Offered by Westinghouse, 22
Live Better . . . Electrically
Electric Conference for Women Sponsored by EEI, 17
1958 Live Better . . . Electrically, EEI Residential Promotion Plans, 345
Load Factors
Selling to Provide a Balanced Load Throughout the Year—Paul D. Brooks, 227
Long-Range Planning as an Aid to Management—P. H. Powers, 341
Look Into the Electrical Future—Walter T. Lucking, 395
"Look Up and Live!" White Tells Construction Safety Meeting, 399
Life Insurance Holdings of Utility Bonds, 154
Look Into the Over-All Business Future—E. J. Klock, 119
Long-Range Planning, Cooperation Keynote Street Tree Utility Conference, 82

M

Mailers for Commercial Electric Cooking, 283
Making the Case for Private Property—Leonard E. Read, 189
Management
Long-Range Planning as an Aid to Management—P. H. Powers, 341
Management's Responsibility for Safety—Allen S. King, 210
Manpower
Meeting Tomorrow's Manpower Needs—Donald S. Kennedy, 291
McAfee (J. W.) Elected President of EEI; Corette (J. E.) Named Vice President, 387
Meeting Tomorrow's Manpower Needs—Donald S. Kennedy, 291
Meter & Service Committee
Minneapolis Meeting, 378
St. Petersburg Meeting, 155
Morale
The Utility House Organ—Employee Morale Builder—Harvey Berman, 59
More Productive Future, Consumer Attitudes Spark 25th EEI Convention, 163
Multiple Purpose Projects—53.9% Power, 300

N

National Edison Birthday Celebration Planned by Electric Industry, 23
50 Manufacturers Support National Electrical Week, 388
National Electrical Week
First Full-Scale Celebration Planned for National Electrical Week, 18
Guide to be Ready Earlier this Year for 1958 National Electrical Week, 179
National Electrical Week Plans Complete; Kits Mailed, 379
250 Local, State Committees Expected to Support Fourth National Electrical Week, 320
National Electrical Week Plans Complete; Kits Mailed, 379
New Approach to an Old Idea, 248
New EEI Awards Program Emphasizes Sales Promotions in Four Markets, 343
New "Underground Systems Reference Book"—C. T. Sinclair, 263
1958 Housepower Program Aims to Get Contractor in the Home, 297
1958 Live Better . . . Electrically, EEI Residential Promotion Plans, 345
1957 Rate Book Available, 270
94 Utilities Receive PUAA Awards, 146
Notes on 25th Annual EEI Convention in Chicago, June 3-5, 67
Nuclear Power—See Atomic Power
